

## END OF LIFE CARE CHAMPIONS

This free **two day course** is aimed at people working in **care homes** and **domiciliary care agencies** across **Burnley, Pendle & Rossendale**

### Day 1 focus

End of life care overview  
Communication skills  
Advance care planning

### Day 2 focus

Symptom control  
Care in the last days of life  
Care after death and bereavement

### Delivery

The course will be delivered by our experienced hospice education team  
This is a face to face course delivered at the hospice

### Activities

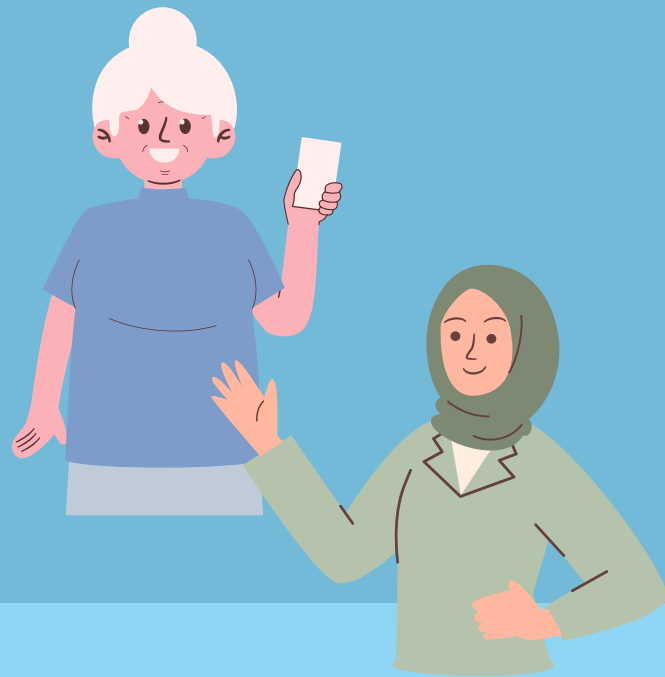

You will be expected to carry out activities in your workplace to enhance the standard of end of life care being delivered

### Support with learning

Delegates working in care homes will be offered a visit from one of the team to support your activities in the workplace

### Completion

You need to attend both days of the course and complete the workplace activities in order to receive a certificate of attendance
